RE: 20-CV-9119 Filing

Dear Sir or Madam:

I am filing this complaint in reference to the filing the entitled complaint on 10-30-20. I filed this complaint electronically with all the necessary forms and in the legal format, please see attached exhibits. I have not received any electronic or physical notifications about the above entitled complaint due to a Court employee changing the valid email address of experttrainers@icloud.com to experttrainero@iword.com. This was perpetrated as a way to create a delay in this case and as a way to make fun of the plaintiff.

There is no way that this email could have been misread or misconstrued as the email address with an extension that is fictitious. All of my information is contained on the cover sheet and letter sent from experttrainers@icloud.com. If there was any doubt about any of this information my phone number was also on the paperwork and was also included in the electronic filing along with the complaint.

As I have reported in the past there is a group of federal and state controlled informants that have unfettered access to my communications that are obstructed justice in this case by deleting emails. Please see the attached email confirming the filing of this case on 10-30-20. There is no system administrator, court of the clerk, or any other federal worker who has been sworn to uphold justice that would believe that experttrainero@iword.com is a valid email address and if they had any doubt about the proper address they would have called the above plaintiff.

This was perpetrated deliberately and maliciously, and is so obvious that this is beyond shocking to the human consciousness so to say. I have exposed this as a racket and will continue to stand for my rights as a natural born US citizen. I have also been the victim of a multi year, multi jurisdiction civil criminal conspiracy administered by the same individuals in a complex orchestration.

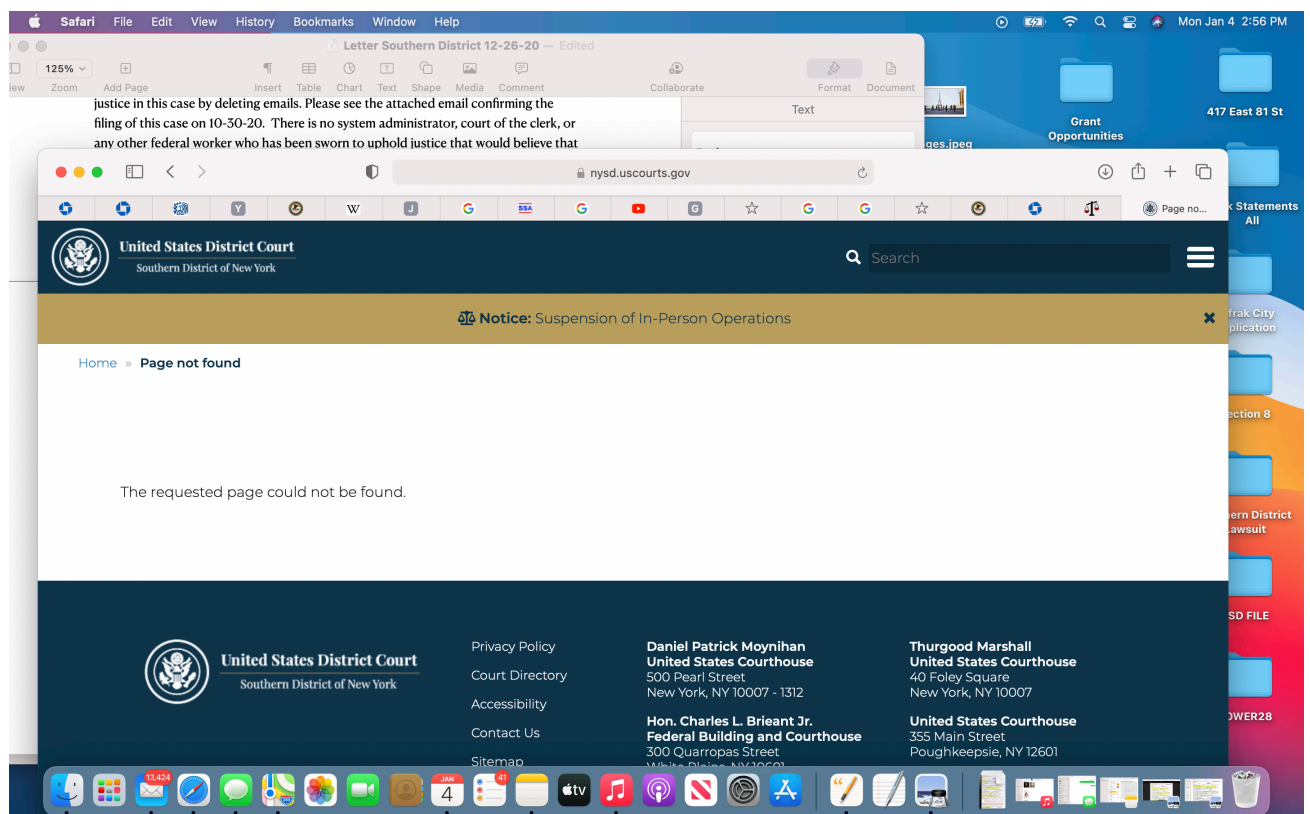

I am also being censored electronically and these individuals have been granted illegal access to my MacBook, iPhones, and electronic accounts to enforce their rackets. I am unable to log into the Southern District ECF see exhibit 1.

I require the Judge's order and the necessary paperwork needed for proper service of the lawsuit to the defendants in this lawsuit sent to the address listed on the documents and listed above.

Sincerely,

Eric Perez

Dear Sir Or Madam:

The above entitled case is deliberately being federally obstructed. The email I just received is coming from the persons within this rat church that has access to my information stored on a NYPD server and being illegally rerouted according to the waves of snitches that these scum bag scientists are orchestrating. The facts are that I have not received any notifications to the legally registered email address from Pacer or any address at the southern district court in reference to this case. This situation is the work of a group of multi state racketeers whom are creating a career for themselves by perpetrating violations and deprivations against this plaintiff as your office has been aware of. The attached email states that I have been receiving notifications:

The system indicates you have been receiving notices to experttrainero@iword.com. If this email is incorrect please update your info with the pro se department. If you have further questions please contact the pro se department at 212-805-0175

There is no such web extension as iword.com and any it person would know this. These individuals are orchestrating this and have illegal access to my emails and other electronic information as a racket and a requirement to their scheme. There scheme also requires me to be under the control or imprisonments of various law enforcement agencies hence why they would respond to my inquiries with such a response. I would like this situation investigated, and will be reporting this in writing to the DOJ certified return receipt. This is really obvious and sad that your agency would allow this to be perpetrated against a service connected veteran as a job.

Sincerely,

Eric Perez

Dear Sir Or Madam:

I have not received one email from the pacer system or the southern district court in response to my lawsuit at all. Your bosses should know this because this censorship and obstruction is being directed by the federal authorities. I would like copies of the email notices that I have been emailed in regards to this case with date and time stamps on them. If you are unable to provide these then my hypothesis is correct.

Sincerely,

Eric Perez
